

GREAT LAKES CHAPTER

North American Rock Garden Society (NARGS)
SUMMER NOTICE, June 2019

Hi Everyone,

Well, it's not really summer yet – but it is after our Spring Meeting in April, and our very successful May Gala. Whew! But, don't forget, we have an exceptional meeting coming up on Saturday June 8:

****SATURDAY, June 8: Spring Meeting: Focus on Patagonia!**

- MEETING:** 11:00 AM – ca. 3:00 PM
PLACE: University of Michigan Herbarium,
3600 Varsity Drive, Ann Arbor 48108, Rm.
– see the map below
- PROGRAMS:** Marcela Ferreyra
11:00 AM – Best Patagonian Flowers
- CATERED LUNCH:** 12:30 PM (Please let Holly (plantscape_design@yahoo.com) know you are coming before June 3, if you have not done so, to set up the catering)
1:30 PM – Rosulate Violas

We are very lucky to have Marcela visit and present two programs to us. She is a world expert on the Patagonian Flora, a great speaker, and delightful person. And we should be learning how to grow these fantastic Patagonian plants!

University of Michigan
Herbarium
3600 Varsity Drive

Take the State Street Exit off I-94 south, turn left (east) at the traffic circle at Ellsworth, go over the railtracks, and turn left at the light for Varsity Drive. Where Varsity Drive bends to the left, at the “top” of the bend, take a right into the Research Museums Center parking lot. Park near the front door.

Mark Your Calendar: Saturday, September 7, 2019:

Our fall sale and garden Tour will be hosted by Andy Arbuckle at his place in Dexter on **September 7th**. The address is 2353 N. Parker Rd., Dexter. We'll have details in our usual timely fall newsletter

NARGS ANNUAL MEETING 2020: will be held in Ithaca, New York, on June 18 – 20, 2020, on the campus of Cornell University.
